MAKE THE RIGHT CHOICE, EVERY STEP OF THE WAY

This gallery is designed to ignite your imagination by revealing the wide range of products we have available to bring your living, playing and working spaces to life.

Every care is taken to ensure the colours you see here are as close as possible to the real thing. However, please be aware there may still be little differences as the inks and printing processes used for this gallery are different to those used for the actual product.*

When making your final decision, please be 100% happy with the colour and finish by checking the actual product. You know you're making the best brand choice. Make sure you're making the perfect colour choice too.

** PG Bison cannot be held responsible for any difference between the colours printed in this gallery and that of the actual product.*

THE
CONFIDENCE
OF
KNOWING

Inspired by global trends, **Gallery One** is
the perfect guide to a world of possibility.

So relax. Enjoy the journey.

Imagine your perfect space.

For that is where you'll find the
essence of happiness.

BELIEVE IN
BALANCE

It's your book and you're writing it.

Create surprise.

Revel in difference.

Mix. Complement. Contrast.

Let there be light after a storm.

And after the quiet,
raise the music and dance.

FIND THE
MUSIC
IN EACH DAY

Life's melody is best heard
from the centre.

A contemporary range
of mid-tones,
neither too light or too heavy.

Perfectly balanced to bring
a gentle harmony to the slow,
everyday roll of the world.

DREAM BIG

Don't be afraid.

Commit.

This isn't about half measures.

A palette of rich, deep woodgrains,
powerful hues and bold tones that
say you're here for the full game.

Wrap yourself in full bodied colour.

LIFE IS NOT LIVED IN
MONOTONE

Why commit to only one idea?

Possibilities are abundant.

Choice should not be limited.

Do the unexpected.

Mix, complement, match, surprise.

You write the rules.

Revel in contrast.

MELAWOOD

☒ MelaWood® is PG Bison's leading brand of decorative melamine faced board (MFB).

Durable and easy to clean, it's great for kitchen cupboards, doors and shelves, as well as home storage, furniture, offices and shop fitting elements.

MelaWood® is not only stain, scratch and moisture resistant, it's fashionable too, making it the ideal choice for your application.

MELAWOOD
SUPAGLOSS

☒ PG Bison brings you the latest in its range of leading designs and colour trends with MelaWood® SupaGloss™.

Its durable, UV hardened gloss surface is ideal for high gloss kitchen cabinets and doors, display units, furniture and shop fitting elements.

MelaWood® SupaGloss™ uses the world's latest technology to bring you excellent wear and scratch resistance, consistent quality and colour and exceptionally high gloss level, perfect for your home, office or retail environment.

PG Bison's locally produced Formica® LifeSeal® Worktops are on trend with international styles.

Their sleek, square edge and modern designs give you elegance and affordability rolled into one, while the LifeSeal® strip protects against moisture, enhancing its longevity.

Exceptional resistance to wear, impact, heat, moisture and stains makes Formica® one of the most versatile surfacing materials.

It's low maintenance, durable and dependable, easy to clean and hygienic too, making it perfect for kitchens.

MelaMatched® is PG Bison's solution for matching cupboard carcass backing boards.

MelaMatched® uses the same décor paper as MelaWood so it's an exact match.

It can also be used for curved cladding and the large sheet format means a better yield and less waste.

MelaMatched® is available in all 32 MelaWood designs.
