**Sonae
Novobord**

A company of the group
SONAE ARAUCO

THE novolam™ COLLECTION

- Celebrates authentic, natural-looking designs that replicate the beauty of nature
- Showcases some of the finest melamine products available today
- Is based on décor trends created in European design houses
- Demonstrates true versatility with styles that can be used individually or in combination
- Features woodgrains with complementary uni-colours
- Is perfect for all environments, from homes (kitchens, bathrooms, bedrooms, studies), to offices, retailing and leisure spaces

WOODMEAD

QUALITY

Manufactured to ISO9001 Standards
ISO14001 Environmental Standards Certification
OHSAS 18000 Health and Safety Certification

Sonae Novobord particleboard products comply with European Formaldehyde & Toxic Gas Emission Standards, per tests conducted by Aidima Institute, recognised globally as a prestigious technology Institute on Furniture, Wood, Packaging and related industries

AFILIATIONS

SUSTAINABILITY

Timber is Sonae Novobord's primary raw material. As a major user of this natural, renewable and recyclable material, our commitment to protect the environment has been a part of our business model for many years. We remain committed to eco-efficiency and the sustainable sourcing of all raw materials
